

RC SPORT FLYERS

RADIO CONTROL FLYING CLUB

GLOW ENGINES - ELECTRICS - COMBAT
GLIDERS - GIANT SCALE - TRAINING

Club meetings held first Thursday of the month at First Baptist Church of Grandview during the winter months (September through May) or at Stamm Field during the flying season. Meetings cover discussions on club business, upcoming events, general hobby topics, and time to show new planes built by club members. Meetings start at 7:00 PM, all guests welcome. Raffle at each meeting. Club dues are \$20 per year. Benefits include club events such as annual BBQ, club newsletter, voice in management of flying field and fellowship of other RC flyers.

*****Free Flight Instruction*****

Club instructors can provide guidance with first model choice, construction tips, radio installation and airplane check out before flight. Club can provide buddy boxes to match many styles of radio equipment to help with safe, fun flight instruction from first flight to first solo. Club membership not required for instructions.

Instruction provided Tuesdays and Thursdays starting April 6 and runs through October 26 for the 2006 season.

AMA MEMBERSHIP AND JACKSON COUNTY PARK PERMIT REQUIRED
